
Amendment to Animal Study Proposal

Warren Grant Magnuson Clinical Center
Animal Care and Use Committee

ASP# Principal Investigator

Title:

Proposed Modification: Significant changes to ASPs must be approved by the CC-ACUC. Explain the proposed modification(s) to this study. Modifications include changes in animal requirements/numbers, animal procedures, experimental design and addition of a hazardous agent. For further information on what modifications need to be approved by the ACUC please contact the Animal Program Director's Office. Include a brief description of the reason for the change.
